

# INTERSCHUTZ 2015

## International Exhibition for Fire Prevention, Disaster Relief, Rescue, Safety and Security

INTERSCHUTZ 2015 will once again be the center of the fire and rescue world. Leading providers will be gathering in Hannover, Germany, to display their products and services to policy makers, fire chiefs, and other industry buyers. INTERSCHUTZ 2015 is a must attend event for the following reasons:

- **Comprehensive event:** In expanding beyond fire services, INTERSCHUTZ offers exhibits for disaster relief, rescue, and safety and security solutions.
- **Impressive exhibitor line-up:** The 2015 event will offer visitors an opportunity to visit 1,350 exhibitors from 46 nations including Daimler, MAN, Volkswagen, and Ziegler.
- **International network:** 1 out of every 4 visitors and 52% of exhibitors are from outside of Germany.
- **Live product demonstrations:** Visitors can attend more than 110 live product demonstrations at our 12,000 sq m outdoor pavilion which includes seats for up to 3,000 viewers.
- **Toughest Firefighter Alive Competition (TFA):** In an exciting mix of head-to-head competition, firefighters from around the world will compete in challenges that demonstrate the fitness, strength and coordination they rely on during their daily work.
- **CRI!SE Forum:** Industry experts will gather at INTERSCHUTZ to discuss the increasing complexity of our global infrastructure, including how to effectively protect our cities and our society's supply lifelines.

# Your Participation in **Hannover**
